DESTINATION PARTNERSHIP PROGRAMME LOGO

Full colour

This version can be used over white or light coloured backgrounds, when the contrast is sufficient enough.

Reversed version

This version can be used over coloured, black or photographic backgrounds, when the contrast is sufficient enough.

Clearspace

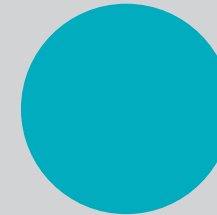

Clearspace is based on 2x the height of the 'A' in the Auckland logotype. It is important that we give our logos space to breathe and ensure that no other graphic elements sit within, or intrude on the clear space area.

Minimum size

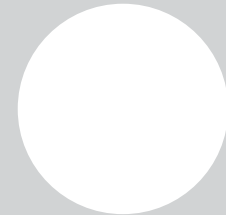

For legibility reasons, this partner logo should not be reproduced smaller than the recommended minimum size shown here.
